Call for Nominations for MAFAC Climate and Aquaculture Task Forces

Dear Doug,

I just wanted to take a moment to call to your attention that nominations are being sought for appointments to two new task forces of the Marine Fisheries Advisory Committee (MAFAC) to support its advisory work for the Secretary of Commerce on living marine resource matters.

One task force will focus on **climate and marine resources issues** and the other on **aquaculture issues**.

The deadline for nominations is November 17, 2014. For more details, please visit the MAFAC website [here](#).

If you have any questions, please contact Heidi Lovett at Heidi.Lovett@noaa.gov.

Thank you,
